Eastern Rock Creek Resident Forum Speaker Responsibilities

The Resident Forum is designed to give every Eastern Rock Creek owner in attendance an opportunity to briefly speak on an issue(s) of importance to him/her. The Forum is opened at the end of the meeting so Board business/decisions can be conducted efficiently/timely. The rules are:

1. Eastern Rock Creek owners, who desire to speak, should sign the sheet prior to start of meeting. Residents speak in the order in which they sign the sheet.
2. Each owner who signs up may speak on any concern they have regarding important topics or the Association.
3. Each resident will be limited to three (3) minutes, as timed/recorded by the Secretary. No extra time will be allowed.
4. No character assassinations, foul language or other inappropriate remarks will be permitted.
5. The BOD will not directly address any speaker's remarks during this session. The Board/meeting attendees will listen in silence.
6. If the resident has a personal matter to discuss, he/she should contact the Board President or The Property Shop.
